

Northern Hornshoe Club Meeting
January 2, 2023

Keith called the meeting to order. Several new people in attendance so everyone present introduced themselves. Keith thanked everyone for coming. Please help clean up the barn after the meeting.

Grooming is going well and the trails have a good base. Groomers make sure you fill out the time sheets, this is very important. Payment changes in the works, lots of changes and more paperwork. Diesel is very expensive so we need to do what we can to get paid.

If people want information about our trails please refer to our Facebook page and internet sites, they are up to date on trail conditions. We continue to work on the trails on the west side.

Terri Lonnborg did the Treasury Report.

January 27, 2023 the MS Riders will be here, about 250 riders plus club members. We'll have pulled pork, beans, rolls, coleslaw, drinks. Matt Steffens and Keith Weber will cook the pork. Miss Snowflake, AWSC Rep., and Vilas County Rep. will be in attendance. Mary Possin will contact Lakeland Times about having a reporter come to cover the event.

Lakeland H.S. met their goal for going to the Rose Bowl, so they did not need our donation. It was decided to give it to the MS Society January 27, 2023 when the MS Riders are here.

Selling brats on the trail, weather permitting, President's Day, February 18, 2023.

Matt Lindborg and Keith Weber are working on the "Snowmobile Friendly".
