

Northern Hornshoe Club Meeting
February 6, 2023
Meeting held at Harrison's Pub and Grill

President Keith Weber called the meeting to order at 7:00 p.m..
Donnie Tingwald made the motion to accept the January club minutes,
seconded by George Keech. Club members introduced themselves as
a way for everyone to get acquainted. We all enjoyed the pizza!!

Discussed selling food Saturday February 18, 2023 during President's
Day Weekend at the junction of Arnett Rd. and Mattke Rd.. Volunteers
need to meet at the snowmobile barn between 7:30 – 8:00 am.
Mike Williams volunteered to bring his boombox.

Vilas County is leading in snowmobile accident deaths. We have a lot
of out of town riders running into stationery objects. Please encourage
everyone to slow down and be safe! Off trail riding is not OKAY!!
Take a picture and turn it in so violators can be ticketed, do not try and
approach riders.

We will groom as needed depending on the up coming weather. Please
remember tractor maintenance 9 am. Wednesdays at the snowmobile
barn.

Club members voted incumbents in for another term; Keith Weber-
President and Terry Lonnborg-Treasurer. Two new Board Members
were voted in Mike Williams and Ken Siefert.

Vector Hoffman encouraged younger members to be active members
because several of the club officers and board members are getting
older and are ready to step down when their term is up. The monthly
Alliance meeting is very important and very eye opening.

Terry Lonnborg gave the treasurer report. Several members attended the
Groomer Show. Yamaha Grants are available for trails.

Donnie Tingwald made a motion to adjourn, seconded by Vector
Hoffman.
